Subtotal			\$15,000
Discount			\$0

Total (USD)

\$15,000

Included with every framework

- ✓ Automated evidence collection from AWS, Azure, GCP, GitHub, Google Workspace, JumpCloud
- ✓ Policy templates, generation & acknowledgement tracking
- ✓ Tamper-evident, timestamped evidence with integrity checks
- ✓ Guided onboarding & readiness review
- ✓ 24/7 continuous control monitoring & drift alerts
- ✓ Control-by-control auditor evidence package (PDF)
- ✓ Trust Center to share posture with prospects
- ✓ Email & onboarding support

Notes & terms

- Pricing is per framework as listed and covers the CompliBoss platform, continuous monitoring, and onboarding for a 12-month term.
- Third-party independent audit / certification body fees (the external auditor who issues the SOC 2 report or ISO 27001 certificate) are **not included** and are billed separately by the audit firm.
- Prices are in USD and exclude any applicable taxes/GST.
- This quotation is valid for 30 days from the date above.
- Deployment: managed cloud or self-hosted; details confirmed at kickoff.
